Spanish Syllabus Checklist

What you can learn here, and where

✅ Your Spanish Checklist

This page lists what the Spanish courses on this site teach, as things you can do. Tick an item when you can do it, and use the last column to find the course and chapter that teaches it. Print the PDF to keep a copy that you can tick with a pen.

HOW TO USE THIS PAGE

The sections follow the order of the courses: **everyday situations** (Spanish Basic Conversation 1 to 4) and the **grammar track** (Spanish Grammar 1 to 4). There is no separate alphabet course because Spanish uses the Latin alphabet; pronunciation and stress are in Spanish Grammar 1, Chapter 1. The level tags in the headings (A1 to B2) are rough guides on the European scale, not promises, and this is not an official standard. Ticks on the website are not saved when you leave the page, so the printable PDF is the way to keep your progress.

3. Not yet written

Some things are not taught yet, so this checklist does not claim them.

- **Spanish Intermediate Conversation 1 to 4** (daily life in Spain; travel and leisure; work, money and society; culture, language and ideas) and **Spanish Advanced Conversation 1 to 2** (formal, written and literary Spanish; idiom and the living language) are planned and outlined, but have no chapters yet. When they are written, this page will gain new sections.
- Literary tenses, idiom and a fuller treatment of regional variation (Spain and Latin America) are the open items, and belong to the Advanced courses.
- Reading long original texts and listening practice are not covered; the Basic courses have short dialogs.
- Vocabulary is taught inside the chapters; there is no separate word-list or idiom course.

> **About accuracy**
>
> Every chapter ends with a “Not Yet Verified” box that says which facts were checked by a web search and which come from general knowledge. No chapter was checked against a dictionary or by a native speaker, and the web searches were often thin.

Keep going. Revisit a chapter whenever an item on this list is still unticked.
